

**REMARKS**

The Office Action mailed September 28, 2005, set forth a restriction requirement alleging that claims 1-12 were drawn to a first invention (a semiconductor device), while claims 13-23 were drawn to a second invention (a method of making a semiconductor device). Applicants hereby elect claim Group I for continued prosecution, without traverse. Applicants hereby cancel claims 1-12, without prejudice or disclaimer. Applicants reserve the right to pursue claims 13-23 in a divisional application.

All claims 1-12 are believed to be in condition for allowance, and the Examiner is respectfully requested to pass those claims to issuance. If the Examiner believes a teleconference will expedite the examination of this application, the Examiner is invited to contact the undersigned attorney at 770-933-9500.

No fee is believed to be due in connection with this Amendment and Response to Restriction Requirement. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully submitted ,
